

To Whom It May Concern:

Roseburg Indians Lacrosse is a non-profit club sport affiliated with Roseburg High School. As a club sport, we receive NO financial support from Roseburg High School. All monies needed to pay for our equipment, uniforms, transportation, league fees, etc., are earned strictly through fundraising activities.

Our primary fundraiser for the season is to sell advertising on our team poster. The poster is professionally photographed and is printed to include the name of each of our sponsors. The cost to participate is:

**Bronze level: \$50** (basic print size of business name) = Bronze Auto Body

**Silver level: \$100** (more prominent display of business name) = SILVER SMITH DENTAL

**Gold level: \$250** or more = FULL BUSINESS CARD DISPLAY

**Each sponsor will receive a poster that can be proudly displayed at their place of business.** More importantly, it is a great way for you to show your support of the youth in our community!

If you need any additional information, please feel free to contact any of our board members listed below.

Thank you, in advance, for your consideration. Your participation in this fundraiser will be greatly appreciated by our players, our coaches and our team of parents.

Sincerely,

**ROSEBURG INDIANS LACROSSE**
